Available Accessories:

Chain Slings

Two way Radio

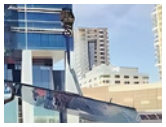

Lever Block/Chain Block

Headache Ball

Remote & Cable

Glass Lifter

Preston Hire offers a range of crane accessories, tailored to suit any hire needs. For more information about accessory items, speak to a SuperCrane™ specialist to find out what best suits your requirements.

Accessories available:

Chains/Slings - All purpose lifting equipment.

Two Way Radios - For communication.

Lever Block/Chain Block - Lever blocks are a manual hoist using a ratchet and pawl mechanical configuration to lift, lower, or pull a load and to apply or release tension.

Headache Ball - An auxiliary hook that can be hooked on a crane.

Remote & Cable - Cable remote controller for remote machine operation.

Glass Lifter - A convenient way to lift glass, metal, ceramic and other materials and position them for fixing. Vacuum technology is employed to grip the surface, making glass lifters an easy lifting solution.
